

## Globe (G25) LED ENERGY STAR Lamp 3000K. 500 lumens, 60W Incandescent Replacement. Dimmable

Verbatim's G25 Globe LED bulb is a high-quality, energy-efficient replacement for 60 watt incandescent bulbs, providing decorative wide flood light distribution and light quality. The color temperature of 3000K is ideal for bathroom and vanity usage, and can reduce energy consumption by more than 85% when compared to incandescent bulbs. ENERGY STAR qualified, this LED lamp's estimated lifetime of 25,000\* hours results in maintenance and replacement costs that are significantly lower than traditional bulbs. Verbatim G25 Globe LED retrofit lamps consume only 8W and are fully dimmable. This product is backed by Verbatim's 5-year limited warranty.

### Specifications

|                       |                                |
|-----------------------|--------------------------------|
| Lamp Type             | Globe ENERGY STAR 3000K 500 lm |
| Model                 | G25-L500-C30-E                 |
| Wattage               | 8W                             |
| Lumen Output          | 500 lm                         |
| Efficacy              | 63 lm/W                        |
| Color Temperature     | 3000K                          |
| CRI                   | 80                             |
| Beam Angle            | -                              |
| Dimmable              | Yes                            |
| Voltage               | 120V                           |
| Operating Temperature | -20°C to 40°C                  |
| Socket                | E26                            |
| Weight                | 4.3 oz                         |
| Design life           | 25,000* Hrs.                   |
| Part Number           | 97802                          |

### Features & Benefits

ENERGY STAR qualified lamp

60W incandescent replacement

Reduces energy consumption by over 85% when compared to traditional incandescent bulbs

25,000\* hour lifetime reduces maintenance costs

Compatible with most commercial dimmers, offering 10%-100% dimming performance.

3000K color temperature satisfies most commercial, hospitality and residential retrofit applications

Cool LED light protects illuminated objects from radiated heat effects and reduces A/C loads

Environmentally-friendly product has no mercury or other hazardous materials and is RoHS compliant and UL listed.

5-year limited warranty

*\*lifetime statement on packaging may state 25,000hrs (directional lamp) or 15,000hrs (decorative lamp) based on Energy Star life testing requirements.*
